3. COOKIES

Cookies are small strings of text that the websites visited by the user send to his terminal (usually the browser), where they are saved so as to be sent back to the same websites at the next visit by the same user. When browsing a website, the user can receive cookies on his terminal, which are sent by the websites or different web servers (referred to as “third parties”), on which certain elements may reside (such as, for example, images, maps, sounds, specific links to other domain pages) present on the website he is visiting; forever.laurabiagiottiparfums.com uses two macro categories of cookie: “technical” cookies and “profiling” cookies.

3.1 Technical cookies

These are used to allow for a communication to be sent on an electronic communication network or to supply a service that has been specifically requested by the user. They are not used for any other purpose. The category of technical cookies, use of which does not require user consent, includes:

- Browsing or session cookies: these guarantee normal browsing and use of the website (e.g. to log in and access reserved areas). Use of these cookies (which are not saved permanently to the user’s device and are automatically deleted when the browser is closed) is strictly limited to the transmission of session identifiers (comprising random numbers generated by the server) necessary to allow for the secure, efficient use of the website.
- Analytics cookies: these are used to collect information in aggregated form, on the number of users visiting the website and on how they visit it.
- Functional cookies: these allow the user to browse on the basis of a series of selected criteria (e.g. language, products or services purchased) to improve the service supplied to the user.

The technical cookies used by forevertouchedargent.laurabiagiottiparfums.com are

3.2 Profiling cookies

These are aimed at creating profiles relative to the user and are used to send targeted promotional messages on the basis of the preferences expressed during Internet browsing. These cookies can only be used for these purposes with the user's consent.

All cookies other than technical cookies are only installed or activated once the user has given consent, the first time he visits the Website. Consent can be given generally, by interacting with the short information banner featured on the Website landing page, according to the manner indicated on said banner; or can be supplied or denied selectively, as explained below. This consent is tracked during subsequent visits. However, the user can always revoke all or part of the consent already given.

Below is a list of cookies used on forever.laurabiagiottiparfums.com, their type and purpose. Additionally, where necessary, the links to the web pages where, at the user's discretion, he can selectively disable individual cookies:

Advertising profiling cookies managed directly by the Website Owner

The Website Owner uses advertising profiling cookies to send advertising, promotions and commercial offers in line with the preferences expressed by the user during browsing. These cookies last for at most 1 year. For all the other information required by personal data protection legislation, please [click here](#).

Remarketing with Google Analytics

Google Analytics for display advertising is a remarketing and behavioral targeting service supplied by Google Inc., which connects the tracing carried out by Google Analytics and its Cookies with the Adwords advertising network and the Cookie Doubleclick.

3.3 SOCIAL NETWORK PLUG-INS

The Website also includes plug-ins and/or buttons for social networks, to allow for the easy sharing of contents on your favorite social networks. These plug-ins are programmed in such a way as not to set any cookies at accessing the page, to safeguard user privacy. If envisaged by the social networks, the cookies are set only when the user effectively and deliberately uses the plug-in. Please note that if the user browses while being logged into the social network, then he has already consented to the use of the cookies conveyed through this website when logging into the social network.

The collection and use of the information obtained through plug-ins are regulated by the respective privacy disclosures of the social networks, to which you should refer.
